Super Sparrow Bottle Made Specifically for On-the-Go, Active Lifestyles

Super Sparrow water bottle is designed for the most adventurous outdoor activities and styled to be the perfect urban companion as well. This bottle has been put to the test and designed for the most avid sports enthusiasts. Whether you are camping, hiking, kayaking, or rock climbing the Super Sparrow is designed to be the ultimate necessity in hydration.

what's the magic behind Super Sparrow ?

LockTemp®Technology

Vacuum insulation device inside lid for additional temperature control.

Insu-Shield®

The double-walled, vacuum insulated Insu-Shield® Insulation, will ensure that your beverage of choice maintains, its temperature for hot drinks up to 12 hours, and cold drinks up to 24 hours.

18/8

Stainless Steel Construction

Durable pro-grade stainless steel won't retain or transfer flavors, ensuring the pure taste of your beverage.

BPA Free

Like all Super Sparrow products, the bottle is both bpa and toxin free, so you don't have to worry about your drink altering your genetic make-up!

Color Shield™

Our proprietary powder coat is dishwasher safe, and your bottle stays slip-free and colorful, no matter where you take it.
